If you have a cough, fever or shortness of breath call our **COVID-19 Hot line** BEFORE COMING TO CLINIC

Call **553-5512** to speak to a nurse who will help you decide the best treatment for your symptoms.

You will also get information about the COVID-19 Coronavirus including:

- How to keep you and your family healthy
- Ways to manage your symptoms

The nurse will do daily follow up with you to make sure you are getting better.

For Cough, Fever, & shortness of breath Call 553-5512

For other appointments or medical needs please continue to call the regular appointment line at 541-553-2610
