

Public Service Announcement:

03/17/2020

To the Community of Warm Springs,

Effective as of March 13, 2020 the Warm Springs Correctional Facility has suspended all visitations and group gatherings in the facility, as well as applicant fingerprinting. These measures are being taken with the safety and well-being of the inmates and corrections staff in mind, to hopefully prevent the introduction or spread of the coronavirus in the jail. The suspension of these services/groups will be effective for a period of 2 weeks, but will be reviewed as the coronavirus situation evolves, which may require an extension. We are providing the inmates opportunities to contact their family and friends through telephone calls free of charge. Legal/attorney visits are allowed.

We appreciate the communities understanding and look forward to resuming normal operations in the future.
