

RESILIENCE

"The Boarding School Experience of Warm Springs and Beyond"
June 27 - September 28, 2019

Hundreds of thousands of Native children were removed from their homes and families and placed in boarding schools operated by the federal government that included the Warm Springs Boarding School.

The Museum At Warm Springs will present "Resilience: The Boarding School Experience of Warm Springs and Beyond." This archival exhibit will feature the true words of our elders and their first hand recollection in the Warm Springs Boarding School and other schools attended along with historical images and various boarding school memorabilia.

Some memories will be heartfelt, poignant, sad, bitter, but most important, it will be the truth.

Please join The Museum At Warm Springs
Thursday, June 27, 2019 from 5:30 - 7:00 PM

to honor the memories of our elders and ancestors with an opening reception
