July 3, 2019

Dear Parents & Families,

We are anticipating the opening of ECE July 17<sup>th</sup> 2019, for children 3 years old and up (B pod and C pod). Our facility will have adequate water brought in for the children to drink and we will have portable hand washing stations located in the classrooms. Due to the boil water notice still in effect, we cannot safely care for children younger than 3 years old due to sanitary reasons. If at any time there is no running water in our facility, ECE will have to close for safety. We are sorry for any inconvenience this has caused and we appreciate your understanding. Please call with any questions and we will keep you updated as information is available.

**Casandra Moses**
