21 No response or declined

*Did you know...?*

that in 2019 in the community of Warm Springs there were 34 families that reported being homeless, 20 of those families had children under the age of 17.

**HOMELESS AWARENESS**

Many assume homelessness means on the streets. **In fact**, being homeless means that you do not have a stable, safe, and secure place to live. This includes doubling up, hotel and motels, camping, shelters, camp trailers, vehicles, temporary living with family and friends, being a runaway, fleeing from domestic violence and exploitation.
