OSU EXTENSION SERVICE PRESENTS

GROW WHERE YOU ARE GARDEN KIT

Want to grow your own veggies? Ready to get started with your own raised garden box or container? Contact John Brunoe or Tracy Wilson with Warm Springs Extension to get your own kit! Each kit comes with a raised box or container (you choose!), seeds or starts, printed information on growing, harvesting, cooking and preserving what you grow!

Each Kit Contains

- 2ft by 2ft box or container with soil
- Seeds and/or Starts
- Printed info with everything you need to grow, harvest, cook, and preserve what you grow!

A great hands-on activity while students are learning remotely!

For more information or to reserve your kit, contact

warmsprings.extension@oregonstate.edu

or John Brunoe at: **(541) 237-7370**

or **john.brunoe@oregonstate.edu**

Fall kits currently available for cool season plants, or get a head start for next spring!

This project is possible through collaboration with the Warm Springs Community Action Team, a grant from the Native American Agricultural Foundation, and OSU Extension.

Oregon State University Extension Service prohibits discrimination in all its programs, services, activities, and materials on the basis of age, color, disability, familial or parental status, gender identity or expression, genetic information, marital status, national origin, political beliefs, race, religion, reprisal, sex, sexual orientation, veteran's status, or because all or a part of an individual's income is derived from any public assistance program. This publication will be made available in accessible formats upon request. Program accommodation requests related to a disability should be made by calling 541-460-7682 or tracy.wilson@oregonstate.edu.
