

BUFF ATHLETIC BRIEFING

1.27.21

MHS ATHLETICS ARE BACK ON TRACK!

Let's hear from our Interim AD on the subject

We want to give athletes and their families an update on our athletic schedule for this year. Our goal was to limit travel as much as possible and compete regionally. Unfortunately, the region was not completely bought into this idea and many of the schools we would play regionally were going to stay in their leagues. As a school we were concerned that if we did not commit to our league (TVC) that we may end up with a lack of contests and viable competitions. We know how important competing is to all our programs and given the conditions locally we felt it was best for athletic programs to compete in the Tri Valley Conference.

This decision was not made lightly and all other avenues were explored to limit travel but at the end of the day if we were going to have viable competition this was the decision that needed to be made.

We are excited to compete in the TVC as it will bring some "normalcy" to the school year and we think this is something we all are looking forward to.

Fall sport schedules are drafted for football, volleyball and soccer (*see page two*). Cross Country schedule coming soon.
