

Protocols for Upcoming Community Events for Longhouse(s)

The COVID-19 Team recommendations (data regarding COVID-19 to be reviewed regularly).

- Highly recommend all gatherings only be open for local residence of Warm Springs community.
- Application for use of Long House(s) is through the Utilities Branch. Must apply a minimum of one week in advance.
- Each application must assign a COVID Coordinator who designates the following, all must have been vaccinated or can show proof they had been COVID-19 tested prior to event and must wear mask at all times:

Drummers: Drummer's to utilize entire bench to safely distance.

Cooks/Servers: If food is served, to reduce possible exposure, all food must be served in take-out boxes. (Masks required to be worn at all times with exception when eating or drinking beverages).

Monitor(s): Tasks include the following; take (daily) attendance; check temperatures for all in attendance (anyone with COVID symptoms and/or has a temperature above 100.4 cannot be permitted to be at the gathering and needs to make an appointment with clinic to get tested ASAP); high touched areas need to be sanitized on an hourly basis and documented; rest rooms need to be sanitized hourly and supplies replenished; and garbage must be emptied on a regular basis.

- Family/person or applicant in charge is asked to clean up the longhouse upon completion of the gathering. Clean and sanitize tables, seats, kitchen and any furniture after use.

- Copy of attendance, monitor's documentation must be turn in to Utilities after gathering/event. Utilities Branch must keep attendance on file and make available to Community Health Program in case of an exposure for Contact Tracers.
- Hand Sanitizer, masked (children and adult sizes) to be available on site. These items are available through Emergency Management and/or Health and Human Services.
- Children must remain with adults at all times.
- Households sit and stay together as a group but should maintain a minimum of 6 feet distance.
- Discourage shaking hands or hugging (accept others who are following the rules and do not shake hands or hug).
- **Please observe capacity, this can change depending on COVID-19 data collected weekly.** If close or near capacity, allow for people to exit the longhouse before entering.
- Encourage a Whip man be at gathering to assist with monitoring protocols.
- Contingent upon "no outbreak in the community", to be reviewed over time.
