

# CULTURE AND HERITAGE LANGUAGE CLASS SIGN-UPS FOR WSK8 SCHOOL YEAR 2021-2022

The Culture & Heritage Language Program will be teaching the three languages Ichishkin, Kiksht, and Numu at the WSK8 Academy for the 2021/2022 school year. Please specify which language you would like your child (ren) to learn.

“Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility.”
