

PUBLIC HEALTH: MADRAS STUDENTS

Central Oregon Community College

COCC PUBLIC HEALTH ACADEMIC PATHWAY

Public health careers include: health educator, community health worker, health care administration, infectious disease contract tracer, health advocate, epidemiologist, environmental health specialist, and so much more.

COCC's Associate of Arts Oregon Transfer with an emphasis in Public Health can start your academic journey into a rewarding lifetime career. This degree provides foundation coursework for students wishing to pursue a Bachelors degree in public health, nutrition and related fields.

HHP 100 INTRODUCTION TO PUBLIC HEALTH (CRN 14030) COCC MADRAS CAMPUS (4 CREDITS)

Provides an introduction to the core elements of public health science and practice, including health policy, health systems and health ethics. Open to all COCC students who want to know more about the dynamic, multi-disciplinary field of public health, what it is, how it is organized and how it works.

Online and In-Person (Hybrid): Meets Wednesday with online work (12:45 to 2:35pm)

PUBLIC HEALTH SCHOLARSHIP FOR STUDENTS WHO ATTEND COCC MADRAS CAMPUS

In partnership with Jefferson County Public Health, the COCC Public Health Program is supporting Jefferson County students who are interested in pursuing public health at the COCC Madras Campus. Open to all COCC students.

Requirement: Attendance on the COCC Madras Campus and enrollment in a Public Health Course (see COCC Public Health for list of courses). This is a competitive application process.

Scholarship Deadline: December 17th by midnight (must be enrolled in class to submit application)

Scholarship Amount: Cost of class (4-credits, in-district tuition and textbook costs)

Scholarship Awards: Award winners will be notified by the end of December.

Scholarship Application: [Click Here](#) or visit: <https://www.cocc.edu/programs/public-health>
