

The following are instructions on how to enter your priority scholarship campers in our registration system.

1) Click on this link to create an account (one per family):

<https://www.ultracamp.com/clientlogin.aspx?idCamp=8>

2) Choose to create an individual/family account

3) Add the parent(s), their address and contact info. Add each child in the family who is coming to camp. If you are unsure of the birthdate of a camper, you can choose the option to enter the camper's age instead of the birthdate.

4) It would be great if you have a picture of the camper that you can upload to their account

5) I would make sure to add yourself to the account as an account holder so that I can communicate with you regarding the camper's reservation. If you fail to do this, I cannot answer any questions regarding the account. **I would advise you to make your email address the main address, so that all the information emails will come to you, as well as forms that need to be filled out in case the families do not have internet or email addresses.**

6) Click on the name of the child you are going to register, then click that you want to make a registration from the left-side of the screen (if you fail to choose the camper's name before choosing to register, it will then ask you to choose which person you want to make the reservation for).

7) Choose to register the camper for the appropriate session set up for your church/area. The choices are: Junior Priority Scholarships-Madras/Warm Springs, Junior Priority Scholarships-Oromo Church, Junior Priority Scholarships-Sharon Church, Junior Priority Scholarships-Sunnyside Church, etc. Junior age campers are 10-12 years old and teen age campers are 13-17.

8) You will then be asked to enter the password I included at the top of this email for each session, junior or teen. No one told me they needed more than 15 (except Madras/Warm Springs), so you all still have 15 spaces for junior session and 15 for teen session.

\*Your session dates are as follows:

**Junior Sessions:**

Madras/Warm Springs, June 26-July 1, 2022

Oromo, July 3 - 8, 2022

Sharon, July 3-8, 2022

Sunnyside, June 26-July 1, 2022

**Teen Sessions:**

Madras/Warm Springs, August 7-12, 2022

Oromo, July 31-August 5, 2022

Sharon, July 31-August 5, 2022

Sunnyside, August 7-12, 2022

The password you enter to register your campers will allow you to register at no charge to you or the camper. If you encounter any issues, please text me at: 503-703-3070
