# ADMINISTRATION BUILDING CLOSURE

WHEN: September 22,2023

WHY: Testing and starting of new HVAC system

WHO: Alliant systems, LLC and Public Utilities

WHERE: 1233 Veterans St. Warm Springs, Oregon 97761

Greetings,

The Public Utilities General Manager and the Secretary/Treasurer has agreed that this closure on September 22,2023 will allow the contractor Alliant time to test and ensure safe operation of the new HVAC system.

The old HVAC system was well past its useful life of 25 years. Currently the new HVAC system is at 85% completed and finalization of electrical components and equipment is required for completion.

This HVAC system replacement project will provide a more stable and safer work environment for the staff during inclement weather conditions.

Respectfully,

Chico Holliday  
PUD GM
