Catch up on immunizations early!

School Year 2024-2025

Oregon law requires that children catch up on their immunizations for school and child care. Check with your school, child care, or medical provider to see if your child is due for vaccines.

You can turn in updated records to your school or child care now. Catch up early to avoid clinic wait times!

### Where can children go to get immunizations? \*

- Pediatricians
- Family doctors
- Pharmacies (7 years and older)
- School based health centers
